

Class Action

The stakes are always high in class action litigation. Larson offers diverse and robust class action capabilities for when so much is on the line.

The firm successfully defends companies of all sizes and has obtained positive results for mortgage servicers, technology companies, clothing manufacturers, retail brands, food and beverage companies, hotels, national fast-food chains, and wineries.

As defense lawyers, we have effectively litigated class action lawsuits arising from:

- California's Consumer Legal Remedies Act (CLRA).
- Song-Beverly Act.
- Fair Debt Collection Practices Act (FDCPA).
- Rosenthal Fair Debt Collection Practices Act ("Rosenthal Act").
- Telecommunications Consumer Protection Act (TCPA).
- Securities and Exchange Act.
- California's Unfair Competition Law (UCL).

Larson has also been appointed by federal courts to serve as both lead counsel and liaison counsel in highly selective putative class action lawsuits.
