

Commercial Litigation

Larson's business-savvy attorneys are among the best in the nation at litigating complex commercial disputes when our clients' reputations and businesses are at stake.

Our attorneys draw upon decades of experience representing businesses in the real estate, media and entertainment, sports, healthcare, hospitality, financial services, and energy and natural resource industries.

Our clients include Fortune 500 companies, small and mid-size businesses, investment and venture capital funds, nonprofit corporations, governmental entities and public agencies, corporate officers and directors, public figures, doctors, attorneys, and other professionals.

We have successfully prosecuted and defended breach of contract claims related to distribution and exclusivity agreements, product and media licenses, royalties and commissions, corporate sponsorships, property disputes and real estate developments, and contingent attorney fee arrangements—to name only a few. Our attorneys have also represented clients as plaintiffs and defendants in matters claiming fraud, antitrust and unfair competition claims, kickbacks and corporate corruption, and negligence.
