LANG Spanish
OFFICE Los Angeles

Ray Roman brings over two decades of experience in legal research, trial preparation, and case management to the Larson team.

He works efficiently with Larson's attorneys and clients through all phases of the firm's [complex civil litigation](#) and [white collar defense](#) matters. Self-motivated and extremely organized, Ray assists in all aspects of the discovery process, including preparing for witness and expert depositions and reviewing client documents for document production.

Prior to joining Larson, Ray built his paralegal career at law firms of all sizes, ranging from boutique to Am Law 100. In his various paralegal roles, he gained significant experience supporting attorneys in [commercial litigation](#), [class action](#), [labor and employment litigation](#), [intellectual property and patent litigation](#), and [entertainment litigation](#). Outside of his profession, Ray enjoys cycling, hiking, and generally spending time outdoors.

EDUCATION

- California State University, Los Angeles, B.A.
